IN REPLY REFER TO: GS-32

Mr. John W. Coffey
Deputy Director for Support
Central Intelligence Agency
Washington, D.C. 20505

MAR 21 1972

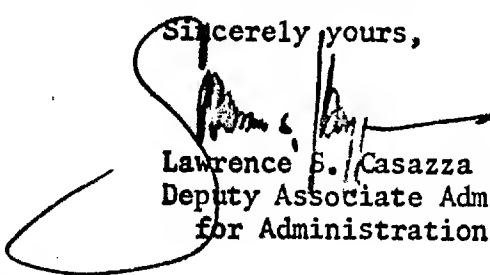

Dear Mr. Coffey:

By letter dated January 13, 1972, from Mr. L. E. Nunnally of the General Services Administration (GSA), Region 3, we were informed that approximately 43.776 acres of our property at the Fairbank Highway Research Station, McLean, Virginia, has been formally transferred to your agency. In accordance with this action taken by GSA, we hereby transfer to your agency custody and accountability of the property, together with the following related material:

1. Eight copies each of the survey property map and property description.
2. Two copies each of a land acquisition map which shows the names of former owners and the acreage acquired from them by this agency.
3. One complete set of pertinent documents and muniments of title.

We have reduced our real property account by \$23,158 (43.776 acres at the rate of \$529 per acre). The cost per acre is based on the actual acquisition cost of \$191,000 for 361.478 acres.

Sincerely yours,

Lawrence S. Casazza
Deputy Associate Administrator
for Administration
